Jason,

Take a minute to read Pima County's cover letter in the attachment. I will review the report today.

FYI this is new analysis of the impacts on the Preserve and lower Davidson Canyon. We have identified a number of technical concerns regarding the conclusions of the EIS and its reliance on Tetra Tech information.

I will also send you a letter that we sent to Forest, which include a report by Tom Myers reviewing the hydrology materials presented by Rosemont consultants in June, by separate email.

Hello Mr. Scalamera,

Please see the attached correspondence from Mr. Huckelberry regarding Rosemont. The original letter will be provided to you via US mail.

Thank you,

Debbie
